Multidisciplinary Innovative Research and Development 2023

(ICMIRD-2023)

International Award Ceremony

PURASKAR FOR SRUJANA 2023

DATE: 1ST & 2ND JULY 2023

Aim & Objective

The conference is aimed to bring together innovative academics and industrial experts in the field of Science, Engineering and Technology, Arts, Social Sciences, Law and Education, Management studies to a common forum. This conference addresses the rapid strides and technological advancements currently witnessed in all the above fields of Teaching Learning process according to National Educational Policy. The conference aspires to exhibit the Technical Excellence of Budding Technocrats, Research Scholars, and Representatives from the Academia and Industry.

Vision

As one of the leading international education providers and a research-led Organizations of its own kind, all the three Associative partners Sidvi Foundation, Visakhapatnam, Andhra Pradesh, Integrity Media - The Publisher (New Delhi), Nilkanthrao Shinde Science and Arts College (Bhadravati Dist., Chandrapur, Maharashtra). Creating and disseminating knowledge, and providing students a unique learning experience in Science, Technology, Management and other areas of scholarship that will best serve the world and betterment of mankind.

Our ability to enhance the well-being of the people by Educating and Serving the Society by putting the knowledge to work with excellence. To advance the professional competence of youth and inculcate in them the urge to recognize challenges as opportunities.

Topics Covered:

All Branches of Management, Agricultural ,Arts, Science, Social Science, Health Care & Medicine ,Engineering & Technology and Law and Education

The objectives of this conference are:

- To promote scientific information interchange among researchers, developers, engineers, students and practitioners working in India and Overseas
- To discover solutions for the key challenges faced by digital entrepreneurs and enterprises across the world through sharing of research ideas.
- To provide exposure in various domains (and not limited to) such as Secure information systems, Security in networks, Development and realization of fundamental technologies, Application Areas and Security Assurance.
- To offer keynote talks and paper presentations in online mode by academia and industry to inspire young participant's minds and henceforth enrich their knowledge.

Call for Contributions

Prospective authors are kindly encouraged to contribute to and help shape the conference through submissions of their research abstracts, papers and e-posters. Also, high quality research contributions describing original and unpublished results of conceptual, constructive, empirical, experimental, or theoretical work in all areas of Science, Engineering and Technology are cordially invited for presentation at the conference. The conference solicits contributions of abstracts, papers and e-posters that address themes and topics of the conference, including figures, tables and references of novel research materials

The conference has a virtual presentation option. Virtual participants will receive presentation certificates and their papers will appear in program, abstract, and proceedings books like with our face-to-face conferences. Participants will receive all conference documents (Conference Program Book, Conference Abstract Book, Certificate of Participation, and Proceedings Book) digitally. An Online platform will be used for the virtual presentations.

Please register and submit your abstract (proposal) first. There is no format for proposal submissions. The abstract (proposal) will be added to the submission panel in your conference account. If your proposal is accepted for presentation, then you may upload your full paper for publication in the proceedings, one of the conference journals or annual book. The full paper template is available in the Paper Guidelines menu. We invite submissions which address the theory, research or applications in all disciplines of engineering, life sciences and technology.

Guidelines for Authors

Please ensure your submission meets the conference's strict guidelines for accepting scholarly papers. Downloadable versions of the check list for Full-Text Papers and Abstract Papers.

Please refer to the Paper Submission Guideline, Abstract Submission Guideline and Author Information before submitting your paper.

Conference Proceedings

All submitted conference papers will be blind peer reviewed by three competent reviewers. The peer-reviewed conference proceedings are indexed in the Open Science Index, Google Scholar, Semantic Scholar and other index databases.

Currently, multidisciplinary research has become the most viable and efficient way to solve the problem. In this era of rapidly changing society, many kinds of socio-economic problems, related to other disciplines such as politics, anthropology, psychology, have arisen which require a holistic approach to find their solution.

When we speak of a multidisciplinary, transdisciplinary or interdisciplinary research team, we imply collaboration between people from different disciplines. Thus, the concept of a multidisciplinary research team can be considered as a subset of the concept of collaborative research.

Benefits of Conference

This will be facilitated by sharing of the knowledge how and techniques.

Access To Expertise

Sharing of tasks, pooling of specialised teams to complement each other while carrying out a project that could not be carried out by a single individual.

Formal Division of Labour

Collaboration is even more intriguing when the knowledge is implied and isn't already published.

Transfer of Knowledge & Skills

Collaboration leads to a mixing of ideas and a confrontation of points of view which should in turn stimulate creativity.

Stimulates Out-of-the-Box Thinking

Researchers increase their respective network of contacts in the scientific community through collaboration.

Collaboration Reduces the Isolation of Researchers

This will be made possible through dissemination actions on both sides of each employee.

Conference Publication Opportunity

1. All selected abstract (e-abstract book-PDF) shall be also published in proceedings with ISBN.
2. Selected full paper will be also published in the form edited book with ISBN number.

Fee for Conference

- INR 300 for UG Students
- INR 500 for PG Students and Ph. D Scholars.
- INR 1000 for Faculty & Industrial Persons.
- USD 50 for Foreign Delegates.

Registration fee for Award Nominations

- INR 500 (Non Refundable)
- Note: After Acceptance, INR 4000 for both Trophy and Certificate, INR 1500 for Only certificate need to pay towards Processing Charges. Inclusive of Announcement of the Award during Conference and Despatching of the kit to the Awardees address.
