Bhadrawati, Dist: Chandrapur-442902

Sir,
Research Collaboration

The Department of Chemistry, FUPRE Nigeria, has enjoyed working with your colleagues in the past and on that note wishes to extend collaboration to the entire staff and students of your college.

The physics department of your institution has done some works on nanotechnology and some of our staff and students are greatly working on that area of research. It will therefore be a great pleasure to link with your researchers and exchange robust ideas for the advancement of this nascent technology. The staff and students of your institution can also visit FUPRE Nigeria at any point in time.

Accept this as a memorandum of understanding for research collaboration between us.

Thank you.

Yours Faithfully,

Dr. Elias. Emeka Elemike
