Grievances Related to College Examination

The examination department also deals with mistake/errors related to internal assessment of the students promptly. All internal examination is conducted adhering to the norms of college. Internal marks are given considering surprise test, unit test, preliminary exam, home assignment, quiz and attendance. The system of internal assignment is very transparent. The students are given opportunity to redress their grievances concerning internal marks if any.

CEO can intervene and seek the opinion of another course teacher. The grievances are resolved by showing his/her performances in the answer sheet or the answer sheet is reassessed by the faculty once again in his presence any corrections in the total of marks or assessment of answer books are immediately done by the faculty members.
