On the behalf of IQAC, IQAC Coordinator Dr. A. B. Shole welcome all the IQAC members in the session 2024-25. Dr. L. S. Ladke Principal also welcome all the members of IQAC after summer vacation. He told that session 2024-25 is started from 1st June 2024.

Dr. Vivek Shinde suggested that we should organize various activities

during the session 2024-25. He also advised arranging training programme so that students can gain skills.

In addition he suggested working in collaboration with industries and other colleges. Additionally he suggested establishing an industrial visit to provide students with practical industry knowledge & skills for their future.

As per the agenda Dr. L.S. Ladke principal of the college recommended the financial plan for 2024-25. He also deliberated NEP-2020 and stressed the importance of introducing it from B.Sc. first year and M.Sc. first year & second year students. A roadmap needs to be designed for its successful execution. In addition he suggested creating a portfolio for 2024-25 which will be circulated among all faculty members. Each faculty member should carry out their duties according to their designated committee roles.

The resolution received the consent of all members during the meeting who were present.

- 11) Ms. D. Nagase - Nagase

Warm welcome was given by Prof. S. S. Pradhan. Dr. A. B. Shale told that college ^{has to} ~~should~~ organize one week virtual workshop. During the meeting the committee discussed the importance of academic enrichment. It was resolved to organize a one week national level virtual workshop on advanced research methodology in the month of

September - 2024. Dr. K. N. Shinde emphasized that the objective of the workshop was to enhance the research knowledge skills and competencies of faculty members, research scholars and post graduate students. The session should focus on modern modern techniques, tools and approaches in research methodology, thereby providing participants with a comprehensive understanding of advanced research practices.

Dr. L. S. Ladke principal emphasized the need of support academically weaker students. Therefore it was decided to introduce study remedial classes aimed at bridging the learning gaps and improving their academic performance. These classes would focus on providing additional guidance, personalized ~~for~~ attention and clarification of fundamental concepts to ensure the overall academic developments of the students.

The house unanimously agreed to the above initiatives and recommended and execution of the activities.

The meeting was concluded.

with a formal vote of thanks
given by Dr. A.B. Dhote, expressing
gratitude to all members for
their valuable presence and contribution.
