**Grievances Related to College Examination**

There is complete transparency in the internal assessment. Academic calendar for internal examination is prepared by college examination committee. College examination committee (CEO) monitors internal evaluation process. The students grievances related to internal examination are solved by College Examination Committee.

- Student have to apply College Examination Committee
- An application is to be submitted by the student to the examination department explaining their grievance
- The examination department on going through the application forwards it to the principal.
- The principal in consultation with CEO, solve the grievance and make the remark on application which then comes back to the examination department
- After taking necessary steps, students are informed about grievance
- The grievance process is completely transparent

**Grievances Related to College Examination**

The examination department also deals with mistake/errors related to internal assessment of the students promptly. All internal examination is conducted adhering to the norms of college. Internal marks are given considering surprise test, unit test, preliminary exam, home assignment, quiz and attendance. The system of internal assignment is very transparent. The students are given opportunity to redress their grievances concerning internal marks if any.

CEO can intervene and seek the opinion of another course teacher. The grievances are resolved by showing his/her performances in the answer sheet or the answer sheet is reassessed by the faculty once again in his presence any corrections in the total of marks or assessment of answer books are immediately done by the faculty members.
